

PING-PONG SLURP

What you need:	a straw for each child and two ping pong balls
Music requirements:	None
Age suitability:	5+

Split the children into two teams. Each team is then split into two. One half of each team stands opposite each other in a line at opposite ends of the garden facing their team mates. Each child is given a straw and the first child in each team is given a ping-pong ball as well. When you say "GO!" that child has to keep the ping-pong sucked onto the end of the straw by drawing a breath inwards through the straw and run towards their team at the other end of the room. The child then has to give the waiting child the ping-pong ball by passing it to them without their hands onto their team mates straw.

The first team to have everyone have a go is the winner.

If anyone drops the ping pong ball they must pick it up using the straw only.
